Fact Sheet 10: Brainstorming steps as a team

- 1. Distribute cards/small pieces of paper (A5) size to each person.**
- 2. Ask each person to write down the critical steps, the things that must happen if the result required is to be achieved through the agreed strategy.**
- 3. Place the cards or pieces of paper on a wall.**
- 4. Organise or cluster the cards in sequence – first step, second step etc.**
- 5. Check that no critical steps are missing. If some are missing, add cards.**
- 6. Consolidate the steps in your basic action planning model.**
